

**Hahnemühle's 60" Digital FineArt media line honored with *Wide-Format Imaging's* Top Product 2009 Award.**

***Wide-Format Imaging* magazine readers voted Hahnemühle's 60"-wide Digital FineArt media line this year's Best Fine Art Product. This marks the first time that Hahnemühle FineArt has received this esteemed award.**

The fourth annual Top Product Awards represent *Wide-Format Imaging's* dedication to showcasing products that have had the greatest positive influence on their readers' businesses and on the industry as a whole, over the past year.

Many of the most popular products in Hahnemühle's Digital FineArt Collection are available in super-wide 60" rolls including Photo Rag® Ultra Smooth, Photo Rag® Baryta, Daguerre Canvas and Monet Canvas. The premium quality of these products, combined with the fact that they are available in 60" widths, a size preferred by many creative digital artists and photographers, made them number one in the 2009 Fine Art category.

Hahnemühle FineArt prides itself on providing its customers with the highest-quality, genuine artists' papers and canvases available. The Digital FineArt Collection offers many of these beautiful products with specially-developed inkjet coatings to ensure impressive and above all, long lasting prints. Hahnemühle Digital FineArt media is the first choice of discerning artists for printing exclusive fine art photographs, digital art reproductions and original digital works of art for museums, galleries, and individual collectors.

The Hahnemühle paper mill has been producing quality artist's papers for over 420 years. Since its founding in 1584 they have developed experience and a tradition of excellence in art materials that is now been brought to the digital age, and fine art Inkjet printing. The German based company whose headquarters are in Dassel, has 150 employees worldwide.
